

# Chapter 6: USBC Certified Tournament Rules

## Definition

---

**Rule 300a.** A tournament is a competition, other than a league, in which the game of American tenpins is played. Competition can include one or more events.

Total pins will decide the champions and other prize winners in each of the events unless another system, based on merit pinfall, is stated in the tournament rules.

## Tournament Qualifications

---

**Rule 300b.** On application to USBC, a tournament certificate will be issued provided:

1. A copy of the entry form, tournament rules and advertising material is submitted with the tournament application prior to the start of the tournament. USBC will determine the amount of coverage, if any, for tournament applications received after the tournament begins.

**NOTE:** USBC suggests these items be submitted in draft form in advance for review by USBC.

2. The tournament consists of two or more teams or a singles tournament of two or more individual entrants.
3. The lanes used are USBC certified for the current season.
4. Competition among entrants in an event, except all-events, is held in the same establishment, except as provided in Rule 302b, Mail-o-Graphic Tournament. When an event is divided in two or more divisions, competition in each division is held in the same establishment, except as provided in Rule 302b, Mail-o-Graphic tournament.

Notification that a tournament is certified, along with the starting and ending dates, will be sent to the local associations involved.

A tournament certificate may be refused if the tournament does not comply with the USBC rules, and/or the value of the prizes offered or guaranteed, or the number of prizes offered are misrepresented.

## Tournament Eligibility

---

**Rule 300c.** All entrants in a tournament must qualify under the rules of the tournament.

1. With the exception of the following, all participants must hold USBC membership or purchase associate membership as indicated in Item 2 below:
  - a. A moral support tournament (see Rule 301a).
  - b. Tournaments that allow a participation fee of \$5 Adults, \$2 Youths. Payment of the fee entitles the entrant to participate in that specific tournament only and subjects the bowler to the USBC rules and jurisdiction for that tournament.

- c. A youth tournament that accepts all youth bowlers. (This would mean no tournament participation fee would be collected from non-members of USBC.) Only those who are USBC Youth members qualify for high score recognition. Only entrants who are USBC members before participation in the tournament are eligible for USBC awards.
2. An individual may apply for associate membership by paying:
- a. **Adults:** National dues (\$8) plus the actual dues charged by the local and state association the bowler is joining. When local and state dues are not known, adult associate dues will be \$19 (\$8 national, \$10 local, \$1 state).
  - b. **Youths:** \$12 (\$8.50 national, \$3.25 local, \$.25 state).

When associate membership is obtained after March 15 of any season, the individual shall become a member for the balance of the current season and the next season.

### **Moral Support Tournament**

---

**Rule 301a.** A moral support tournament is one in which the tournament is conducted by a single civic, fraternal, benevolent, military service, union or religious organization. At the discretion of USBC, a tournament may be granted moral support status when:

1. It meets all of the requirements of Rule 300b.
2. Participation is restricted to those affiliated with the organization conducting the tournament.
3. Anyone under suspension from, or who has been refused membership in USBC or CTF will not be allowed to participate.
4. International competition is provided for the bowlers not served by USBC, as long as the equipment conforms to USBC equipment specifications.

USBC members may participate in a moral support tournament with award recognition automatically extended. Eligible nonmembers may qualify for USBC award recognition by purchasing a USBC associate membership card before participation.

### **Adult/Youth Tournaments**

---

**Rule 301b.** A parent/child or adult/youth charity tournament may adopt a rule allowing an adult's score to be matched to several youths' scores for the purpose of determining doubles totals. When allowed, all entries must be submitted, together with the corresponding fees, prior to the adult's participation. Handicap will be added if applicable.

### **Scholarship Tournaments**

---

**Rule 301c.** All USBC tournament applications must contain the following:

1. List of scholarship prizes being awarded.
2. Tournament rules and entry forms.

3. Name of the scholarship administrator.
4. How the scholarships will be managed.

All scholarship tournaments must deposit its scholarship prize awards with the SMART program, unless otherwise authorized by USBC.

### **Pro-Am Tournaments**

1. At least one-half of the entry fee is returned to the amateurs as prizes or awards.
2. The organization's members or participants who are identified as professionals by tournament management may not share in the prize distribution.
3. The score of the professional or organization member counts with the score of each amateur on the lane.
4. All other USBC rules apply to the competition, including tournament reporting requirements.

A pro-am style format in which pin count is conceded either to the amateur or professional cannot be recognized by USBC.

### **Modified Formats**

---

**Rule 302a.** USBC may certify tournament competition in which a modified game of American Tenpins is played.

All USBC equipment specifications shall apply to such competition, and the rules for USBC tournaments shall apply insofar as practical.

USBC may permit modifications or variations in team play formats for the purposes of exhibition events, television bowling or playoff matches resulting from USBC tournament competition in the qualifying rounds. The results of such events should be included in the tournament's prize or awards programs. Only scores bowled using the standard American Tenpin scoring system as described in Rule 3a qualify for USBC awards. Members are not eligible for any award based on his/her average.

**NOTE:** For types and descriptions of modified formats, see the *Tournament Managers Manual*.

### **Mail-o-Graphic Tournament**

---

**Rule 302b.** A mail-o-graphic tournament is one in which scores are submitted from separate or the same competition, bowling establishment or association and are compared to qualify for prizes in one common prize list. The following provisions apply to all USBC mail-o-graphic tournaments:

1. All scores are submitted to the tournament manager who enters the scores and determines team and/or individual standings.
2. All scores used are from certified competition.
3. USBC will certify such tournaments provided:
  - a. All USBC equipment specifications apply.
  - b. All rules for USBC tournaments shall apply insofar as applicable.
  - c. Application must designate tournament as a mail-o-graphic tournament.
4. As the scores used in mail-o-graphic competition are already recognized in the certified competition in which they are actually bowled, they are not eligible for USBC national awards.

**NOTE:** Disqualification procedures and sample letters can be found in the Tournament Managers Manual.

## Authority of Team Captain

---

**Rule 304.** The captain is the team representative and is responsible for the lineup and conduct of the team in tournament play.

The acceptance of an entry by tournament management constitutes an agreement by the captain on behalf of the team to abide by all rules of USBC and the tournament. In addition, the captain shall:

- a. Receive in trust any prizes the team wins, and distribute it according to verbal or written agreements with the team members.

- b. Determine who bowls on the team in the team event. If the captain replaces a player originally entered in the team event, ample notice must be given to the player being replaced. If that player paid the entry fee, it must be returned except that any indebtedness may be withheld.
- c. If, prior to bowling, the captain requests a replacement in the doubles and/or singles event, the bowler originally entered must agree to being replaced.
- d. The captain or an authorized representative may replace any team member who is unable to attend or compete at the scheduled time.

**Rule 305.** The management of a USBC tournament must publicize fees separately per event on the entry form and advertising material as follows:

- b. Expense Fee.
- c. Total, per entrant, per event.

Prize and expense fees for all-events and special features may be charged, but must be listed separately. These, and other collections to qualify for participation, such as donations, subscriptions or banquet fees must be stated on the entry form and advertising material.

**Youth tournaments:** Where an “awards fee” is charged, all such fees collected must be returned 100 percent to the participants in the form of awards that comply with Youth eligibility requirements.

### **Fees and Prizes: All-Events**

---

**Rule 306.** Participants in a tournament may be charged an optional fee for an all-events contest when two or more events are scheduled or when two or more tournaments are conducted under the same management. When an all-events fee is charged, the following apply:

- a. Expense fees may be charged for participation in an optional all-events contest when in accordance with the requirements in Rule 305.
- b. The all-events fee must be paid before the advertised closing date for entries or before the participant bowls any of the events, whichever comes first.

- d. Distribution of prizes shall comply with the formula prescribed for payment of regular position prizes and the ratio of return shall be at least one to 20 or major fraction thereof. Where a trophy or award, other than cash awards, is offered for the all-events championship, the bowler who places first in all-events is entitled to the award even if the bowler did not pay the optional fee. In such instances, the trophy or award cannot be considered as part of the all-events prize fund, and must be purchased from other funds.

### **Youth tournaments**

- e. The all-events fee shall not be greater than the highest awards fee charged for any event of the tournament.

### **Fees and Prizes: Distribution of Prize Funds**

---

**Rule 308.** The sponsor and management of a USBC tournament undertake a fiduciary obligation that all funds provided by that part of the entry fee designated as prize fee, but not including interest thereon, shall be held in trust for the exclusive benefit of tournament participants. Such funds cannot be used for any other purpose.

In addition, USBC may, at its discretion, require a bond or in lieu thereof, a satisfactory assurance that the prize fund obligations will be met.

The prize funds must be paid to the participants as follows:

- a. All prize money collected in an event or division of an event must be returned to the participants in that event or division of that event, except where replacements or correction of averages require a change of classification. In that case, prizes will be distributed to reflect the actual number of participants in the event or division of the event.
- b. The last place prize, including those paid for each last place tie, must be equal to at least the amount of the prize fee in the event.
- c. In team, doubles and singles events there shall be at least one prize for each 10 entries or major fraction thereof.

1. Scratch prizes in a handicap event.
  2. Single game prizes.
  3. Limited group prizes, such as early bird, average category, sponsor and weekend prizes, etc. Squad prizes to which all participants in an event are eligible are not defined as special prizes.

Second place must be equal to at least one-half of first place or the amount spent from the prize fund for first place.
- f. When special prizes are offered and a team or individual can win a position and a special prize, the total prize paid to second place shall be at least one-half the combined total of first place plus the special prize of greatest value.

### **Fees and Prizes: Prize Payment and Report**

**Rule 309.** The following requirements must be met by tournament management within 30 days after the end of the tournament:

- a. Distribute all prizes except when USBC has authorized delay in payment.

1. Advance notification of time and date of participation must be given to team captains and individual entrants.
2. All entries postmarked the first post office business day after the entry closing date shall be accepted. Additional entries for any event shall not be accepted after that date.

3. If a schedule is not published, a complete list of entrants must be available for review upon request.
4. Tournament management cannot show in the schedule “partner,” “reserved” or similar term instead of a team or individual entry.

### **Entry Rules: Entry Close Prior to Last Squad**

---

**Rule 310b.** When the date for closing of entries is set prior to the time the last squad is scheduled, the tournament management shall post a notice showing:

1. Exact time of day the last squad is scheduled to start;
2. Exact time for closing of entries;
3. Number of entries to date;
4. Complete current list of all entrants; and
5. The high score in each event or division of each event.

Tournament management shall not accept additional entries after the closing of entries.

### **Entry Rules: Submitting Entries**

---

**Rule 311.** Acceptance of a written entry by tournament management for one or more events regulates the number of players who are eligible to participate. The entry form must contain the names of the players entered. The required fees must be received by tournament management by the closing date or the time entrants are scheduled to bowl, whichever occurs first.

### **Entry Rules: Conditions Cannot Change**

---

**Rule 312.** The conditions under which entries are accepted cannot be changed or modified after the tournament starts, unless otherwise directed by USBC. This includes entry fee charges and the rules governing the competition.

### **Entry Rules: Free or Reduced Entries**

---

**Rule 313.** Tournament management may not provide or arrange to provide any free or reduced entries that are not stated in the tournament rules. When a free or reduced entry is given, an amount equal to the prize fee for such entry must be paid into the tournament prize fund by management.

### **Entry Rules: No Fees Returned**

---

**Rule 314.** After an entry has been received, and the dates assigned by tournament management are not refused before preparation of the schedule, the entry fee cannot be refunded.

### **Entry Rules: Multiple Participation**

---

**Rule 315.** Participation in each event shall be limited to one time, unless tournament rules state otherwise, subject to the following:

- a. The number of times participation is permitted must be stated in the rules.
- b. In order to place more than once in the prize list for positions standings:
  1. Five- and four-player team event. At least two players in the lineup must be different.
  2. Three-player team and doubles event. At least one player in the lineup must be different.
- c. In a singles event, the same individual may not place more than once.

The bowler's first appearance in each event counts toward the all-events total, unless otherwise provided in the tournament rules.

### **Entry Rules: Singles Event Squad**

---

**Rule 316.** In singles tournaments, a minimum of two entries constitutes a squad and these entries must bowl on the same pair of lanes. If a bowler competes alone as a squad, the score shall be disqualified.

### **Entry Rules: Handicap – Youth Competition**

---

**Rule 317.** When tournament winners are determined by using a handicap system, the following requirements must be met:

- a. Handicap must be based on a known average prior to the start of competition.
- b. Handicap may not be limited and the full handicap allowance must be given.
- c. When handicap is assigned on a game basis, fractions must be dropped prior to determining the handicap.
- d. When handicap is assigned on a series basis, the handicap shall be calculated on the difference of the player's series average and the scratch series handicap basis. Rounding up is prohibited.

### **Entry Rules: Averages – Youth Competition**

---

**Rule 318.** The following applies to all youth competitors unless tournament rules state otherwise:

- a. When a bowler has more than one youth league average, and the individual average is used to determine the handicap or classification of the bowler or his/her team, the highest youth league average based on a minimum of nine games shall be used.
- b. If an error occurs in the classification of an individual or team, which is detected prior to the awards distribution, correction to proper placement must be made and the score recalculated, with no penalty, unless the tournament rules indicate disqualification.
- c. Rules 319a and 319c through 319e do not apply.

### **Entry Rules: Average – Conditions That Apply**

---

**Rule 319a.** The following conditions apply to averages in handicap or classified tournaments, unless the tournament rules state otherwise, except that only USBC league averages shall be accepted. (See Rule 319c for average adjustment.)

1. Individual averages must be based on a minimum of 21 games in a USBC league. Averages established in USBC leagues which start its schedules after March 15 for the summer season shall be accepted as official, provided the bowler does not have an acceptable regular season average.
2. When the previous season's average is used, and at the time of bowling an entrant has a current average for 21 or more games that is 10 pins or more higher than the prior season's average, the current average must be used.
3. Bowlers are responsible for verifying his/her own average, whether submitted by the bowler, the team captain or others. If the submitted average is lower than required and results in a lower classification or more handicap, the bowler's score is disqualified. If the submitted average is higher than required, prize winnings will be based on the submitted average. In the case of a team of two or more bowlers, the averages will be combined to determine if the correct total is higher or lower than the submitted total.
4. Average corrections can be made up to the end of the bowler's first game of a series. Or, if an extension of time has been granted in writing by tournament management before the end of the first game of a series, the correction can be made within 48 hours after the end of the series.
5. When an association publishes a yearbook, a tournament using previous season averages to determine handicap or classification, shall use the yearbook to verify averages, if furnished, and not require the association to verify averages from that association.

### **Entry Rules: Assigned Averages**

---

**Rule 319b.** A bowler who does not have an acceptable average under tournament rules will bowl scratch, unless the rules specify a minimum average that will be assigned by tournament management prior to participation.

Tournament management has the authority to assign an average higher than the minimum average prior to participation.

### **Entry Rules: Average Adjustments (Rerating)**

---

**Rule 319c.** The average of a bowler may be adjusted upward before participation in any event. If the assigned average is not accepted by the bowler, the entry fee shall be refunded.

### **Entry Rules: Reporting Prior Prize Winnings**

---

**Rule 319d.** A handicap or classified tournament may require a bowler to report any previous tournament prize winnings as a condition for entry.

In a handicap or classified tournament that does not have such a rule, anyone who has qualified\* for a cash and/or merchandise prize of \$600 or more in the position standings prize list in any event in a tournament, including all-events, special features, special prizes and donated prizes, within the last 12-month period, must give tournament management the following information prior to participation, for possible average adjustment:

1. The name of each tournament in which they have been paid such a prize, or if not yet paid, in which they have qualified for the prize.
2. The amount of the prize.
3. The actual score bowled to qualify for the prize.
4. The prize position.

Failure to comply with these provisions is cause for a forfeiture of entry fee and prize winnings.

**NOTE:** \*Qualified is defined as the date and time the tournament officially ended (completion of the last squad or round of competition), or payment of prizes, whichever comes first.

All bowlers regardless of average must comply with the provision of Rule 319d.

Prize winnings from certified and uncertified tournaments, including those using a modified format of American Tenpins (example: 9 pin tap), must be used in the application of this rule.

### **Entry Rules: Average Adjustment for Entry**

---

**NOTE:** All certified and uncertified scores from the game of American Tenpins must be used in the application of this rule.

**Rule 319e.** Unless the tournament rules state otherwise, the following applies in a handicap or classified tournament:

1. The bowler is responsible for keeping a record of the names, dates, scores, and prize winnings in all tournaments entered in the previous 12 months, including those still running. These include all tournament scores bowled in accordance with the game of American Tenpins.
2. A bowler shall adjust his/her entering average if, during the 12-month period immediately preceding the time and date of bowling, the bowler's accumulated average for all, but not less than 21 tournament games, exceeds the average to be used for entry by 15 or more pins. In that case, the accumulated average must be used for handicapping or classification purposes.
  - a. A bowler whose tournament scores require an adjustment must submit the adjusted average in writing before the end of the first game in a tournament, unless tournament rules allow for such adjustment to be made within a specified time after bowling.
  - b. Failure to use the adjusted average in accordance with the foregoing is cause for forfeiture of entry fees and prize winnings, and the bowler is subject to suspension of membership in USBC.

On appeal or protest, the bowler must promptly supply the record of the names, dates, scores, and prizes won — or scores that qualify to win — in all tournaments in which the bowler competed within the previous 12 months.

Nothing in this rule supersedes tournament management's authority to adjust the bowler's average higher prior to bowling.

### **Entry Rules: Canadian Tenpin Federation Averages**

---

**Rule 319f.** USBC will recognize averages established in leagues under the jurisdiction of the Canadian Tenpin Federation (CTF) for entry purposes in USBC tournaments provided:

1. Adult averages are based on a minimum of 21 games and youth averages are based on a minimum of 9 games unless tournament rules state another number.
2. All USBC equipment and certification specifications apply to the bowling centers in which the averages are established.
3. All USBC general playing rules apply to the league(s) in which the averages are established.
4. Tournament rules do not exclude CTF averages.

### **Tournament Playing Rules: Two Lanes Required**

---

**Rule 320a.** Bowling shall begin in accordance with a previously arranged schedule. Two lanes immediately adjoining each other shall be used in each game of tournament play.

The first game of a series starts on the lane where the team or individual is scheduled. Succeeding games start on the lane on which the team or individual finished the preceding game unless each complete game is bowled on a different pair of lanes.

### **Tournament Playing Rules: Order of Bowling**

---

**Rule 320b.** Members of competing teams, doubles and individual entrants shall successively and in regular order bowl one frame on one lane, and for the next frame alternate and use the other lane until five frames are bowled on each lane of the pair.

### **Tournament Playing Rules: Interrupted Game or Series**

---

**Rule 321.** If equipment failure on a pair of lanes would delay the progress of the series, tournament officials can authorize the completion of a game and series on another pair of certified lanes. The interrupted game and series must be resumed from the point of interruption.

### **Tournament Playing Rules: Tardy Players**

---

#### **Rule 322a.**

1. Unless the tournament rules allow missed frames to be made up, a player or team missing one or more frames by not being present and ready to bowl in turn shall:
  - a. Begin play with the score to count from the frame then being bowled.
  - b. Not be credited with any pins for the frames missed.
2. If a team refuses to start because a full lineup is not present, tournament management, at its discretion, can declare the game forfeited.
3. A bowler must bowl on the same lanes and at the same time his/her team bowls.

### **Tournament Playing Rules: Absentee/Vacancy Scores**

---

#### **Rule 322b.**

**Adult tournaments:** No absentee or vacancy scores shall be permitted.

**Youth tournaments:** Unless otherwise stated in the tournament rules:

1. An absentee score must be accepted in a prepaid four- or five-player team tournament if an individual does not show.
2. Only one absentee score per team may be used.
3. The absentee score for each game shall be the absent member's entering average less 10 pins, plus handicap.

### **Tournament Playing Rules: Pacers**

---

**Rule 323.** Unless otherwise provided by tournament rule, pacers are permitted to maintain competitive conditions, subject to the following:

- a. Scores bowled as a pacer shall not count in determining prize winners.
- b. A pacer cannot later enter or compete in the tournament, unless the tournament rules permit multiple participation.
- c. If a pacer is a USBC member, any scores bowled as a pacer are eligible for USBC individual awards.

### **Tournament Playing Rules: Lineup Changes**

---

**Rule 324a.** If a change in a team or doubles lineup is desired, it must be requested at least 30 minutes before the time the entrants are scheduled to bowl, unless otherwise stated in the tournament rules.

Thereafter, no player shall change position in any team or doubles lineup after the player has been checked onto the lanes to bowl, unless authorized by the tournament official in charge. Violation may be cause for disqualification.

If a replacement is needed on each of two teams, the entrants present may be paired together.

## **Tournament Playing Rules: Substitutions During Game or Series**

---

**Rule 324b.** After a series has started, substitutions can only be made using the following guidelines:

1. Team or doubles series:
  - a. The captain can replace any player with a qualified substitute at any time but no changes can be made in the order of the players.
  - b. A player removed during a game cannot return to bowl in that game.
  - c. The score of the game is credited to the starting player.
2. Singles event:
  - a. No substitutions can be made except in tournaments where two or more series or blocks of games are bowled. In such events, substitutes may be permitted at the discretion of tournament management.
  - b. A player removed cannot return for the balance of the competition.

Scores bowled through the efforts of more than one individual player do not qualify for USBC awards, tournament individual awards, other than position standings prizes, nor can the scores be included in the all-events total.

## **Tournament Playing Rules: Team Bowling Alone**

---

**Rule 325.** The following applies when a team or individual is scheduled alone on a pair of lanes except team tournaments which, by rule, schedule each team alone and permits the members to follow each other immediately in order on the alternate lane:

- a. Games must be bowled as though they were contested.
- b. Each player must complete a frame on one lane before the player bowling lead off starts the next frame on the adjoining lane.
- c. Match play tournaments may establish target scores, for purposes of determining whether teams qualify for bonus points, when there is less than a full complement of teams.

## **Tournament Playing Rules: Tie Scores**

---

**Rule 326a.** When there is a tie for any championship in a tournament, it is optional with tournament management to have a playoff or declare co-champions. However, if there is a duplication of personnel on the tied teams, Rule 326b applies.

1. Co-Champions:
  - a. The cash prizes for the positions affected are to be equally divided.
  - b. Tournament management is required to supply additional medals or awards it makes to champions, which are emblematic of co-championships, from a fund other than the prize fund.

2. **Playoff:**
  - a. In match game or elimination tournaments, the number of games or frames played in deciding ties shall be determined by tournament management.
  - b. In other tournaments, three games shall be played in deciding all ties, unless otherwise specified in the tournament rules, but under no conditions may the playoff consist of less than one game.
  - c. In playing off a first-place tie, the team or individual scoring the highest is entitled to all first place prizes, except the optional all-events cash prize is dependent on whether the winner is eligible. The team or individual with the next high score is entitled to second prize, etc.
3. Ties for other than first prize and position shall be decided by tournament management.

### **Tournament Playing Rules: Multiple Participation**

---

**Rule 326b.** When multiple participation is permitted in a tournament and one or more bowlers are members of the teams tied for the championship, the following procedure applies in deciding the championship.

1. When two or more teams are tied, and the same bowlers are duplicated on all of the tied teams, co-champions may be declared. If a playoff is conducted, only those members not duplicated on the teams shall bowl in the playoff series.
2. If three or more teams are tied, and the same bowlers are not duplicated on all of the tied teams, co-champions must be declared.

### **Tournament Playing Rules: Scorers**

---

**Rule 327a.** A tournament is required to have official scorers to record all games bowled in the tournament or use a USBC approved automatic scoring device.

If a full complement of scorers is not available and the bowlers affected cannot be rescheduled, they may be allowed to record his/her own scores under supervision of tournament management.

In match game tournaments where the pin count is not carried forward, tournament management may authorize the competing players to keep score.

### **Tournament Playing Rules: Scoring Errors**

---

**Rule 327b.** After a score has been recorded, it cannot be changed unless there is an obvious error in scoring or calculation. Obvious errors must be corrected by a tournament official immediately upon discovery. Questionable errors shall be decided by tournament management.

Tournament management may, by rule, set a time limit for the correction of errors.

### **Tournament Playing Rules: Scores – Loss of**

---

**Rule 327c.** A tournament game or frame(s) within a game that is irretrievably lost in the scoring process may be rebowled with approval of tournament management, unless prohibited by rule. The decision of tournament management shall be final, except where an appeal is made to USBC for final consideration.

### **Tournament Playing Rules: Changing Delivery in Handicap and Classified Tournaments**

---

**Rule 328.** In handicap and classified tournaments, once the bowler has taken his/her first shot, they shall continue to use that hand throughout the tournament unless, due to injury, the bowler finds it impossible to continue bowling with the same hand.
